Applicants' Attorney spoke with Examiner Mark Robinson in regard to the instant case on October 5, 2005 (Interview Summary attached). Mr. Robinson's courtesy in granting Applicants' Attorney this interview is appreciated. During the interview an agreement was reached with regard, generally, to claim language which overcomes the rejection of record.

This amendment is necessary because of the new arguments contained in the Final Action rejecting claims 1-22 all the claims presented for examination; and is believed by Applicant's to put the instant case in condition for allowance.

Entry of this Amendment and reconsideration of the rejections in light of the amendments to the claims and the arguments contained in this Amendment are respectfully requested. Early and favorable action is further requested.
